

## Meighan McGuire

**My experience range covers photo, web context, broadcast commercials and film work both short format and feature length.**

### **Freelance Producer, Line Producer & Production Manager**

- Produce high quality regional and national television ads in a high volume, fast paced environment.
- Create budgets, schedules, and contracts for projects.
- Collaborate with creative team members, such as directors, copywriters, art directors, and editors, on projects suggesting solutions to creative and production issues.
- Professionally interact with clients, senior level executives, vendors, and other external contacts.
- Produce and manage multiple projects at one time.
- Source, hire, and maintain a solid crew and vendor relationships.
- Manage all departments related to production including art, wardrobe, hair/makeup, grip/electric, camera, sound, script, and production assistants.
- Work with production companies and advertising agencies to create project schedule and act as a liaison between all to effectively run productions.
- Negotiate purchases, rentals, and crew rates to stay within approved budget.
- Manage projects with budgets from \$50,000.00 to \$500,000.00; successfully completing them on time and within budget.
